

Recruitment, Selection and Vetting Policy

REVIEWED: **September 2024**
DATE OF NEXT REVIEW : **September 2025**

The first step in our recruitment process is to discuss the candidate's work history and the reason why they want to work with children. Following this we will send out an online application form and ID software. Once these are completed, we will arrange a face- to- face interview on Zoom.

Agency Workers are transient and so our checks will be on-going and we will re-check DBS Update Service and EWC register if there is a gap in employment of more than 56 days. If the gap is over 180 days, we will re - check DBS Update Service, Education Workforce Council register and also undertake further references.
